INSURANCE

Public liability cover in place since 18 September 2026. The trailer and equipment are insured too. Certificate and policy schedule on request.

WHAT WE BRING

- **The trailer.** A full golf bay built into a trailer, covered, so light rain carries on.
- **An operator.** James runs every shot and coaches every first-timer. He is at every event.
- **Setup and pack-down.** We arrive, set up in about thirty minutes, run it for the whole event and pack up.
- **The live leaderboard on every phone.** Each player checks in by QR code on their own phone, and the board updates the moment a ball lands. A ranked results sheet afterwards, with no guest contact details on it.
- **The games.** Longest drive (men's and ladies'), closest to the pin, team rounds, and beer pong, darts and cornhole for the rest.
- **Clubs and balls.** Always included.
- **Our own solar power.** Four solar panels, a 5 kVA inverter and a battery bank. No plug or generator needed, so load shedding changes nothing.
- **Quiet for speeches.** No PA, no music of our own. The bay pauses on cue.

THE SPACE AND POWER WE NEED

8 × 6 m	of firm, level ground.
3 × 2.8 m	clear access on the way in, width × height.
3.5 m	clear overhead where the trailer opens.
0 plugs	Our own solar, 5 kVA inverter and battery bank. A plug within 20 m is used if one is offered.

Paving, concrete, short grass or compacted gravel. No sand, mud or steep inclines. Send a photo of the spot or a floor plan and James confirms the fit before he quotes.

WORKING WITH EVENT COMPANIES

- **Under your brand if you like.** The screen between shots and the live board carry your name or your client's.
- **10% commission on every booking you bring**, paid by DriveHaus from its side. Your client pays the normal DriveHaus price.
- **Your supplier, or theirs.** We quote and invoice you, against your purchase order, or your client directly, whichever suits you. Send your vendor form.
- **Quotes.** Written and itemised, today, usually within two hours, valid 14 days for a company. A 40% deposit secures the date. Travel within 50 km of Pretoria East is included.
